

April 2008

Dear Community Supporter,

On Monday, July 21, 2008, the Marblehead Chamber of Commerce and the Marblehead Counseling Center will host the "3rd Annual Rey Moulton Marblehead Open" at the Kernwood Country Club in Salem, MA. Last year, more than 100 golfers enjoyed an exciting day of golfing, prizes and fun with colleagues, clients and friends. We hope that you will join us as a player, a sponsor or both for a fantastic event this year.

This Tournament is a remembrance for a dear friend of the Chamber and the Marblehead community, Rey Moulton. Rey was a "Champion for Marblehead" giving consistently to over 50 charities and organizations in and around Marblehead. He was a longstanding member of the Chamber of Commerce and various other community organizations. It is our hope that this golf tournament named in his honor will preserve Rey's name, always remembering his leadership, generosity and love of Marblehead. His passing almost two years ago reminds us all that it is important to give back to the community and help where you can.

The Marblehead Chamber of Commerce is a non-profit organization dedicated to the enhancement and development of the business community, but we are much more than a membership organization. We are an economic stimulator and provide a wide array of services and programming to the residential community as well. We organize a number of community events each year and actively partner and give back to many other non-profit and grass roots organizations for the betterment of the community. This event is no exception.

This year, we are proud to partner with the Marblehead Counseling Center (MCC). The Marblehead Counseling Center seeks to improve the quality of life of the members in the entire community – children, teens, adults and families through psychotherapy, mediation, education and participation in community groups and task forces. While the Center's main focus is counseling, MCC also utilizes expertise and resources to address gaps in community services. In order to provide services to individuals regardless of their ability to pay, MCC benefits from local government support and fund-raising events.

It is in the spirit of giving and taking care of one another that we are requesting your support as a sponsor and participant in this year's Tournament. Enclosed please find a sponsorship and registration form, containing detailed information about promotional benefits for your business. We hope that you will consider being a part of this annual tribute to a great community leader and also enjoy a beautiful golf outing and barbecue with us.

On behalf of the Marblehead Chamber of Commerce and the Marblehead Counseling Center, we thank you for your time and consideration of this worthwhile request. If you have any questions or require additional information, please do not hesitate to contact the Chamber office at 781-631-2868.

Sincerely,

Ann Marie Casey, Executive Director
